Re: Greengate Phase 1 (Infrastructure)

Mr. Wilhite and Ms. Goggin:

We have reviewed the plan for the above referenced project and have the following comments:

1. It appears VDOT comments have not been addressed. Please note for purposes of approval and permit, all comments will need to be addressed. Additionally, adjustments to the r/w will need to be made to include VDOT structures.

We should continue to receive any revised drawings for the above referenced plans even after County approval as some of the changes may affect the right of way and any issued permits. If you have any questions, please call me at (804) 752-4768.

Sincerely,
