Re: O'Reilly Auto Parts at 5915 West Broad

Mr. Garrison

We have reviewed the plan for the above referenced project and have the following comments:

1. It is difficult to tell, but will there be proposed utilities associated with this project or are the highlighted lines existing utilities? Please verify. If proposed, is it possible to connect lines outside of the r/w? Otherwise, please provide VDOT temporary traffic controls for the connections.

We should continue to receive any revised drawings for the above referenced plan even after County approval as some of the changes may affect the right of way and any issued permits. If you have any questions, please call me at (804) 752-4768.

Sincerely,
