Landscape Plan Review

- ☐ Henrico County Police Division recommends approval.
☒ Henrico County Police Division recommends approval if the requirements below are addressed.
☐ Henrico Police cannot complete our review at this time as additional information is needed.

While our requirements for the endorsement of the plan do not guarantee a crime-free environment, it is our experience that the application of the concepts of Crime Prevention Through Environmental Design (CPTED) will reduce the opportunity for crime to occur and will enhance the quality of life. Should you have any questions or comments, please contact me at mof@henrico.us.
