#### Comments:

1. Per Section 1106.6, accessible parking spaces shall be located on the shortest accessible route of travel from adjacent parking spaces to an accessible building entrance. The single handicap accessible parking space on the east side of Building-A1, the two handicap accessible parking spaces south of Building-A2, and the two most northern handicap accessible parking spaces on the west side of Building-A2 are not closer to an accessible entrance than a non-handicap parking space.
