Re: Belmont Recreation Center POD2020-00526

Mr. Chisti,

VDOT has reviewed the above referenced plan and offers the following comments:

1. Please provide spot shots for entrance tie in points to insure proper tie in.
2. Please revise the entrance to the CG-11 standard and add CG-12's at the curb return.
Please specify type of CG-12 on the plan.
3. Please provide the current VDOT General Notes on the plan.
4. Please provide a Maintenance of Traffic plan for review. As this is a relatively simple work zone, the relevant plates and notes for the Work Area Protection Manual will be sufficient.

VDOT will be happy to meet to discuss comments prior to resubmission. If you have any questions or require any additional information, please do not hesitate to contact me at (804) 585-3585.

Sincerely,

Robert Butler P.E.
