RE: POD2021-00112 – Landscape plan  
& POD2021-00114 - Lighting Plan  
Dollar General at 4151 Darbytown Road  
2<sup>nd</sup> Lighting and Landscaping Plan  
Review

Sir:

The Salim Chishti, ASLA and I have completed the review of the above-referenced plans, received June 1, 2021, and have the following comments:

Landscape Plan

1. The landscape cannot be approved until after all the clearing and grading is complete and the building is underway.

Lighting Plan

1. Provide a note on the Plan that the lights will not be tilted.
2. The catalogue number in the luminary schedule do not correspond to the order code numbers on the fixture cutsheets. Revise, as necessary.
3. See additional comments from other review agencies.

Please address these comments and the comments from the other review agencies and resubmit 6 sets of plans for review with the Lighting, Landscaping and Fence plan application. Contact me at 804-501-5159 or [gog@henrico.us](mailto:gog@henrico.us) if you have any questions.

Sincerely,

Christina L. Goggin, AICP
