- ☐ Henrico County Police Division recommends approval.
☒ Henrico County Police Division recommends approval if the requirements in Section I are addressed.
☐ Henrico Police cannot complete our review at this time as additional information is needed.
-

SECTION I. Address the following items in order for Henrico Police to endorse this plan:

- ☒ Provide new plans/information with details to address items noted below.
☐ Provide a response addressing the items and/or stating the intent of the applicant.
- Provide average illuminances for all pedestrian pathways. The average shall not be below 3 foot-candles (minimum).
 - 1.0 foot-candles around the building's edge is recommended.
 - Police does not recommend placing deciduous trees adjacent to the north and western sides of the building as they could block surveillance opportunities inside out and outside in. Could shrubs replace these proposed trees?

While our requirements for the endorsement of the plan do not guarantee a crime-free environment, it is our experience that the application of the concepts of Crime Prevention Through Environmental Design (CPTED) will reduce the opportunity for crime to occur and will enhance the quality of life. Should you have any questions or comments, please contact me at mof@henrico.us.
