Dear Mr. France:

We have reviewed the revision to the approved construction plans submitted to the Planning Department on June 6, 2022.

Please address the following comments and **resubmit revised construction plans** for review.

**General:**

1. As previously commented, include the utility plan sheet (CU-102) in the revised construction plans to ensure the proposed changes do not impact the proposed utilities.
2. Be sure to bubble the changes on the utility plan sheet.

If you have any questions concerning the above noted comments or the plans, please contact me at 501-4508.

Sincerely,

Alice Thompson  
Utilities Engineer
