INTER-OFFICE MEMORANDUM

TO: Mike Kennedy, Planning
FROM: Alice Thompson, Public Utilities
SUBJECT: Blossman Gas Autogas Infrastructure, POD2023-00350 (501 S Airport Dr)
DATE: August 28, 2023

We have reviewed the concept plan for the referenced project submitted to the Planning Office on August 14, 2023. This concept plan proposes a propane fueling station for motor-fuel for local private fleets to fuel their propane powered vehicles. There will be no impacts to water and sewer utilities. DPU does not have any comments. Any changes to the scope of work that creates a conflict with the public water or sewer system require additional plans for review.

If you have any questions, please call me at 501-4508.

Sincerely,

Alice Thompson
Utilities Engineer
