DATE: August 31, 2023

We have reviewed the concept plan for the referenced project submitted to the Planning Office on August 16, 2023. This concept plan proposes modifications to existing facility to bring into compliance with Zoning. There will be no impact to water and sewer utilities. DPU does not have any comments. Any changes to the scope of work that create a conflict with the public water or sewer system require additional plans for review.

If you have any questions, please call me at 501-4508.

Sincerely,

 for
